A UNIQUE APPROACH — IL LOFT

Design 100% italiano e materiali esclusivi, sono questi i leit-motiv ricorrenti in ogni singolo progetto firmato Il Loft: tessuti, arredi, complementi e interior dalle forme pulite e razionali, sempre capaci di stupire ed emozionare.

Un modo di fare design unico che ha portato l'azienda ad essere emblema della qualità made in Italy nel mondo.

A garanzia della progettazione ricercata ed accurata dell'azienda c'è la mente creativa di Giorgio Saporiti, maestro del design e della moda capace di reinterpretare le tendenze del momento in una chiave ironica e raffinata.

Nuovi prodotti dal design innovativo e con cromie ricercate saranno presentati in esclusiva al Salone del Mobile di Milano, per inserirsi perfettamente nella più ampia collezione esistente de Il Loft.

100% Italian design and exclusive materials form the leitmotifs of every single Il Loft project: fabrics, furniture, furnishings and interiors with clean, functional lines that never fail to amaze and kindle emotions. This unique approach to design has transformed Il Loft into an internationally recognised symbol of the best of "Made in Italy" quality.

Guaranteeing the company's sophisticated and meticulously crafted designs is the creative genius of Giorgio Saporiti, a past master at design and fashion who has a flair for interpreting the latest trends with refinement and a tasteful touch of humour. The new innovatively designed products in refined tones will be exclusively unveiled at the International Furniture Fair in Milan, and represent the perfect addition to Il Loft's wider existing collection.

A CREATIVE MIND

GIORGIO SAPORITI

Da bambino, ammirava i colori, suoni e sapori della natura. Da adulto, le opere dei grandi architetti: da Gio Ponti e Marco Zanuso a Frank Lloyd Wright, Mies van der Rohe e Oscar Niemeyer.

La ricerca del Bello, in tutte le sue forme, è quello che anima da sempre Giorgio Saporiti. Architetto e designer innamorato del colore ("senza di esso la vita non esiste") ma anche imprenditore e grande conoscitore di tendenze del design e della moda, Giorgio Saporiti è stato definito un "inesauribile macchina sforna-idee": il suo mondo di tessuti, arredi, complementi e interior sembra infatti rigenerarsi all'infinito, dando vita a creazioni che sono allo stesso tempo di tendenza e evergreen. Le sue forme razionali e pulite ma capaci di emozionare, le sue cromie che si fondono le une con le altre, i suoi accostamenti spesso azzardati ma sempre capaci di creare un'armonia perfetta sono alla base del successo globale de Il Loft, l'azienda da lui creata nel 1994, il cui marchio è riconosciuto in tutto il mondo come araldo della qualità Made in Italy. La sua ricetta per il successo? "Progettare perché non solo ogni arredo o complemento ma anche ogni spazio sia unico, pensato per il committente a sua immagine e somiglianza. Perché un interior riuscito è uno in cui si è felici di vivere".

"L'ineluttabile ciclo della trasformazione interessa la nostra casa e il mondo attorno a noi. Nell'atto di creazione una cosa mi resta sempre impressa nella mente: occorre raggiungere la perfetta unione con l'interno che costantemente si rinnova".

When he was a little kid, he used to wonder at the colors, sounds and flavors of nature. As an adult, he was stunned by the masterpieces of great architects such as Gio Ponti and Marco Zanuso, or Frank Lloyd Wright, Mies van der Rohe and Oscar Niemeyer.

The search for Beauty, in all its forms, is what has always motivated Giorgio Saporiti. As an architect and a designer, he is in love with colors ("without them, there is no life"); but his multifaceted nature made it possible for him to be, at the same time, also an excellent entrepreneur as well as a living antenna for design and fashion trends. It does not come as a surprise, then, to hear that Giorgio Saporiti is considered by those who know him "an unstoppable ideas generating machine". His world of fabrics, furniture, and interiors actually seems to regenerate itself infinitely and to give life to creations that have the amazing capacity to be at the same time trendy but evergreen. His rational, pure lines are able to bring out emotions, his color palettes mingle one with the other, his couplings are often hazardous but always end up providing a perfect harmony. These are the characteristics that made up the success of the company that Giorgio Saporiti himself created in 1994, Il Loft, a brand that is now universally recognized as a herald of Made in Italy quality.

His recipe for success? "Designing so that all furniture and interior is a reflection of the client's taste and soul. So that he or she is happy to live in it".

"The unavoidable cycle of transformation also challenges our ideas of home. When I create something, I always keep this in mind: interiors will have to be in tune with the ever-changing world around us".

“WHEN I CREATE SOMETHING, I ALWAYS KEEP THIS IN MIND: INTERIORS WILL HAVE TO BE IN TUNE WITH EVERCHANGING WORLDS AROUND US.”
